ABOUT

Sevenply is a high-energy 90s rock tribute band that brings the raw sound, grit, and attitude of an unforgettable era back to life on stage. Blending powerful vocals with driving guitars and tight rhythms, the band delivers a dynamic setlist packed with hits from iconic artists like Creed, Nickelback, Foo Fighters, Staind and more. Known for their ability to capture both the intensity and emotion of the original recordings, Sevenply creates an experience that feels both nostalgic and fresh, connecting with audiences who grew up on the music and those discovering it for the first time. With a reputation for electrifying live performances, Sevenply has become a crowd favorite across the Southeast, consistently drawing fans who are ready to sing along and relive the soundtrack of the 90s and early 2000s. Their shows are more than just performances, they're full-on rock experiences, complete with crowd interaction, polished production, and a setlist built to keep the energy high from start to finish. Whether headlining a venue or sharing the stage with other acts, Sevenply delivers a professional, engaging show that leaves a lasting impression.

THE BAND

Alan
BASS

The epitome of cool, Alan wears his sun glasses at night slapping tasty complex grooves on the bass. The sub sounds pound through the music from several 18's making you feel it in your chest.

Wes
SINGER

High intensity singer capable of making the crowd feel every word of every song. Conveying the feeling and emotion baked into each song, Wes pulls you in and makes you want to sing along.

Jon
GUITAR

The guy can't stay still! Jon rips into each song like a hot knife through butter. Jumping and moving around on stage making everyone in the crowd want to jump around too.

Matthew
GUITAR

Smooth but deadly, Matt cuts through every song with sharp leads and big tone. When it's time to step up, he lets it rip and takes things to another level.

Jason
DRUMMER

Perfect beats and personal flavor added in just the right spots. Jason makes each song his own and gives the band the perfect timing and the crowd rhythm to jam to.
